Seniors in Mrs. Merriweather's

class learn about careers

"Seniors in Ms. Merriweather's class, were introduced to careers that they could get with a qualifying ACT WorkKeys scores...they researched the career; found where it was in most demand; and found the salary of the career. The ACT WorkKeys is a system of assessments, curriculum, and job profiling that determines, builds, and measures essential workplace skills that can affect job performance and increase opportunities for career changes and advancement. High school seniors take this assessment in the Fall and Spring of their Senior year and for those who choose to go into the workforce after graduation, this is a vital part of their career success."
