

Public Notice

Meridian Waste Trash Collection

We understand that some residents have not yet received their new Blue Trash Cart, we are working diligently with Meridian Waste to ensure that those carts are delivered. Residents are reminded that if you have not received the Blue Trash Cart yet, but you still have the Green Trash Cart, Meridian Waste will continue to collect trash out of those Green Carts until May 1st, 2025. Please ensure your Green Carts are placed at the curb on your scheduled collection day.

The Sumter County Commission thanks the residents for their patience, cooperation, and understanding as we navigate through this transition.

For any inquiries, questions, or any concerns please contact the Sumter County Commissions office at 205-652-2731.
